Xulon Press, United States, 2008. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Author and Pastor Guy Walker makes a convincing argument that God is about to call His people to embark on a modern day Exodus. Unlike the forced march of Biblical times which was from one geographic location to another, today God is calling His people to come out of the world's financial system which has by and large, enslaved them. They have, of course, willingly accepted this bondage through their voracious appetite to consume goods and services that they cannot afford to pay for. The result is financial oppression through consumer debt that is stifling their spiritual life. Financial Exodus is a roadmap to freedom and true financial prosperity.God's way. He is calling His people to no longer be conformed to the world, but to be transformed by the renewing of your mind, so that you might prove what the good and acceptable will of God is (for your life). God has a plan for your deliverance.read Financial Exodus to find out what it is.
