A Woman s Path to Peace provides a common background within which the reader can explore the familiar yet challenging elements of the journey of awakening. Eclectic yet grounded in the simple ordinariness of an average middle class lifestyle, this book acts as a bridge between where we are in our humanness, and where the Real World is. Topics such as pets, kids, and energy healing are explored within the context of every day life, poignant in its simplicity and raw in its intimacy. Touching essays are scattered throughout the book to provide the reader with real life examples of how Spirit reveals itself in the simplest of moments.
