By Shoukat N. Kazi

CBS Publishers & Distributors Pvt. Ltd., 2010. Softcover. Book Condition: New. First edition. Medical Council of India has reduced the duration of first year M B B S by 6 months and introduced new pattern of questions which include long answer questions, short notes, short answer questions, clinical problems and multiple choice questions. The students are expected to know all the topics as well as specific information and minute, relevant details having clinical importance. There is no source for the definition and the extent of contents of the various terms used in the theory questions. The author has extensively discussed these terms with eminent anatomists in India and attempted to define these terms. He is aware of the limitations and has high regard about others views. To all above problems the author has given a solution by a book, Exam-Oriented Anatomy: Questions & Answers. The salient features of the book are The book is written using short and simple sentences. Three types of questions are discussed: LAQs (Long Answer Questions), SN (Short Notes), and SAQs (Short Answer Questions). The information given in italics is the information required to answer the MCQs. The answers are written in the form of points...
