The framework of this kite is formed of two slender pieces of wood which turn on a common centre, in such a manner that they can either be shut up, so that one piece lies flat upon the other, or opened out into the form of a cross. The calico covering is attached to this cross by means of tapes. This portable kite can be rolled up and carried to the field without inconvenience. FANCY KITES. Ingenious boys now and then take a hint from the Chinese, and so shape and paint their kites that they resemble different animate and inanimate objects. The officer kite which has the figure of a soldier painted on it, and the hawk-kite which rudely represents a flying hawk, are common forms of fancy kites. A very funny effect may be produced by painting a kite like a sailor, and attaching moveable arms, instead of the ordinary tassel wings, to the shoulders. We present our readers with a few suggestive forms which are quite novel. All fancy kites should be painted with the most glaring colours, and the figures on them drawn as coarsely as possible, as they are intended to be seen at a great distance. There are some out-door games played with toys which do not fall under any of our previous headings. These games we now lay before our reader, together with a description of the toys...
