Penguin Putnam Inc, United States, 2010. Hardback. Book Condition: New. Ursula Vernon (illustrator). 180 x 140 mm. Language: English . Brand New Book. It's not easy for Danny Dragonbreath to be the sole mythical creature in a school for reptiles and amphibians?especially because he can't breathe fire like other dragons (as the school bully loves to remind him). But having a unique family comes in handy sometimes, like when his sea-serpent cousin takes Danny and his best iguana friend on a mindboggling underwater tour, complete with vomiting sea cucumbers and giant squid. It sure beats reading the encyclopedia to research his ocean report .Using a hybrid of comic-book panels and text, Ursula Vernon introduces an irresistible set of characters with a penchant for getting themselves into sticky situations. It's perfect for both the classroom and fans of Wimpy Kid and Bad Kitty.
