Fatal attraction.call it what you will, Cheryl Frampton always did. Her first husband committed suicide and successive partners beat and abused her, subjecting her to such extreme violence that she was hospitalised on several occasions. One son was lost to social services, another died a week after birth and her third had to be fought for in a long and bitter custody battle. With no love or understanding from her own mother, Cheryl's struggle to find love and happiness is a harrowing read. This is the debut work and autobiography of Cheryl Frampton. In her life she has dealt with issues such as domestic violence, death and legal challenges.
