Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Opportunities of Today for Boys and Girls In preparing this volume, we have made no attempt to treat the subject exhaustively. It- has been our endeavor to present only a few of the many occupations that are open to the boys and girls of to-day, with the hope that the study of these may provoke interest and inquiry in the minds of the young readers. It will be observed that many of the more unusual and uncrowded vocations (especially for girls) are offered for consideration. We have stressed those occupations that require education and training, trusting that many boys and girls will feel the necessity of remaining in school for a thorough preparation for their life work, thus avoiding an easy entrance into blind-alley jobs. We wish further to state that the salary and wage schedules quoted in the various occupations have been based on the prevailing schedules at the time of the publication of this volume. It must be borne in mind that these vary constantly, according to ever-changing economic conditions, and to the law of supply and demand.
