Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Stinging nettles are, for many of us, nothing more than persistent weeds with a painful sting. But apart from having an important role in the web of life, nettles are an incredibly useful plant to mankind. They have been put to myriad uses by our ancestors, and many of these are still valid today. Already stinging nettle products are growing in popularity in the field of alternative medicine, as their wide range of health benefits becomes better known. This unique book explores the diverse uses of this fascinating plant - in the garden and the kitchen, for their medical and fibrous properties and so on. It is packed with practical suggestions, as well as a guide to the botany of stinging nettles, and how to collect and store them. For example, you will discover how to use nettles to: make a liquid plant fertiliser brew an unusual beer make a dandruff treatment protect beehives flavour an omelette make friendship bracelets repel flies naturally make green or yellow fabric dyes keep yourself warm in the winter and much more...
