Excerpt from The National Pronouncing Speller: Embracing a Strictly Graded Classification of the Primitive, and the More Important Derivative Words of the English Language, for Oral Spelling; Numerous Exercises for Writing From Dictation; The Principles of Orthoepy and Orthography; Rules for Spelling The Spelling-book ought to occupy a place in primary instruction second in importance to that of no other work. We have aimed, therefore, in the preparation of this volume, to furnish all the facilities necessary to teach successfully the orthography, pronunciation, meaning, and use of the more important words of the English language. It is now generally conceded, by eminent American and European educators, that the shortest and most successful mode of learning spelling is by the eye; that the definitions and the use of words, as well as their orthography, are soonest acquired by frequently writing exercises from dictation; and that orthoepy and orthography should be simultaneously taught. This book has been prepared in accordance with these views. In Part First, containing
