Brand New Book ***** Print on Demand *****.Description These memories of mania are a first hand account of Kim s experiences of mental illness. But as well as it being a time of mental illness, it was also a time of great spiritual revelation for Kim. During his mania he often felt guided by a higher power. Those encounters with a warm, benevolent and entertaining God have shaped Kim s outlook on life and spirituality is still an extremely important part of his life. This is the story of a bright young man whose experience of university life was dominated by his desire to find out about the workings of his own consciousness. That journey took him into the murky...
