The authors have received an enormous amount of feedback about which sections are good and which sections are confusing; the confusing ones have been improved. I doubt that any other Java book has undergone such trial by fire." - Metroplex Java User Group. Whether you're taking a class or learning on the job, "The Java' Tutorial, Third Edition", is a hands-on guide that lets you quickly become proficient with the Java programming language. Written by members of the Java Software team at Sun Microsystems, the book uses an interactive approach to help you learn the Java platform by example. Since its first online release in 1995, the material in "The Java' Tutorial" has been updated continuously to reflect reader feedback and new releases of the Java platform. This third edition has been thoroughly updated to cover v1.3 of the Java Platform, Standard Edition, as well as...
