GRIN Verlag Jun 2014, 2014. sonst. Bücher. Book Condition: Neu. 211x146x3 mm. This item is printed on demand - Print on Demand Neuware - Academic Paper from the year 2013 in the subject American Studies - Literature, grade: 1.0, Ruhr-University of Bochum, language: English, abstract: This paper argues that Frederick Douglass exposed the American double standard towards Christianity. To verify this thesis, Douglass' Narrative is first put into context, both into the context of its time as well as into the context of its genre, the African American slave narrative. Subsequently, the American sociologist Robert N. Bellah's term and definition of American Civil Religion is introduced. Finally, the author applies a close reading of Douglass' Narrative through Bellah's findings, which shows how and why Douglass unveiled the Christian yet cruel values of Southern plantation owners to his readers. By means of conclusion, the paper shows that Douglass's Narrative paved the way for other abolitionist slave writers, who might not have been able to tell their story if the American Christian double-standard had not been exposed by Douglass. 20 pp. Englisch.
