Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A journey deep within the soul, guided by the famed psychoanalyst Carl Jung's mysterious obscure story Seven Sermons to the Dead, young U.C. Berkeley professor Robert Anderson sets out to crack the riddle of the twin sons of Isaac who fought from the time they came forth from the womb and still fight today; a world destined to not see peace until the descendants of these two sons make peace. Robert soon finds himself descending into the outer, corrupt world of city politics, sexual passions, and deceptions. But setting his mind on Jung's Seven Sermons, looking to answers from within, rejecting imaginable resolutions from without, Robert sees the elusive key to resolving the ancient riddle. Take this journey with Robert and find your way through the dark reaches of the mind and to the light of day.
