THE YOUTH PILL: SCIENTISTS AT THE BRINK OF AN ANTI-AGING REVOLUTION (PAPERBACK)

Penguin Putnam Inc, United States, 2013. Paperback. Book Condition: New. 210 x 138 mm. Language: English . Brand New Book. Living longer is closer than we think. Even before the first person set off to find the Fountain of Youth, we were searching for a way to live longer. But promises of life extension have long reeked of snake oil, and despite our wishful thinking--not to mention the number of vitamins we pop--few of us believe we'll live to...

Reviews

If you need to adding benefit, a must buy book. Better then never, though i am quite late in start reading this one. I discovered this publication from my i and dad advised this pdf to find out.

This is the very best publication we have read through right up until now. It is one of the most incredible book we have read through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
