

Sex for Life: From Virginity to Viagra, How Sexuality Changes Throughout Our Lives

By Laura M. Carpenter, John D. DeLamater

New York University Press. Paperback. Book Condition: new. BRAND NEW, Sex for Life: From Virginity to Viagra, How Sexuality Changes Throughout Our Lives, Laura M. Carpenter, John D. DeLamater, Sexual beliefs, behaviours and identities are interwoven throughout our lives, from childhood to old age. An edited collection of original empirical contributions united through its use of a distinctive, cutting-edge theoretical framework, Sex for Life critically examines sexuality across the entire lifespan. Rooted in diverse disciplines and employing a wide range of research methods, the chapters explore the sexual and social transitions that typically map to broad life stages, as well as key age-graded physiological transitions, such as puberty and menopause, while drawing on the latest developments in gender, sexuality, and life course studies. Sex for Life explores a wide variety of topics, including puberty, sexual initiation, coming out, sexual assault, marriage/life partnering, disability onset, immigration, divorce, menopause, and widowhood, always attending to the social locations - including gender, race, ethnicity, and social class - that shape, and are shaped by, sexuality. The empirical work collected in Sex for Life ultimately speaks to important public policy issues, such as sex education, aging societies, and the increasing politicization of scientific research.
