A house he worked hard for, a loving wife, and three beautiful children. But it wasnt until his marriage ended that he realized what the void hed felt almost all his life meant. Coming out as a gay man at thirty-six is not an easy feat, but he is determined to be true to his heart. Meeting a man who shares his values, and is good with his children would be a bonus, but when the guy arrives in a uniquely wrapped package, and has very specific handling instructions, Kevin needs to decide if hes up for that kind of love. Obsessed with order and symmetry, and a paralyzing fear of germs, Cedric Haughton-Disley has lived with isolation and loneliness as long as he can remember. Desperate to be normal, he makes some much-needed changes in his life. If he can commit to his treatment, he might very well be able to procure some quality of life. . . even if thats all he can get, as finding love and having a relationship are only possible in Cedrics wildest dreams. But when a chance encounter leaves Cedric wishing for more, he decides to take a leap of faith, and pursue the guy he wants. Together the two men make an unlikely match.
