Ember, United States, 2015. Paperback. Book Condition: New. Reprint. 206 x 137 mm. Language: English . Brand New Book. Switching places with someone else has never been more fun than in this novel about following your dreams and finding your heart from the author of Meant to Be that Huntley Fitzpatrick, author of My Life Next Door, calls unforgettable and full of twists and romance. Meet Sloane Emily Jacobs: a seriously stressed-out figure skater who choked during junior nationals. Now meet Sloane Devon Jacobs, a spunky ice hockey player who's been suspended from her team for too many aggressive hip checks. The two girls are on their way to skating camps in Montreal when a luggage mix-up causes them to meet. Pretty soon, the Sloanes realize that this is the opportunity they've been waiting for: the chance to escape their lives and switch places for the summer. But it didn't occur to Sloane E. that she might meet a hockey hottie; and Sloane D. never expected to run into a familiar (and very good-looking) face from home. It's not long before the Sloanes discover that convincing people you're someone else might be more difficult than being yourself. \*\*\* A twist on the identity-swap that's both cozily familiar and fresh . . . . sweetly uplifting. -- Publishers Weekly Enjoyable. -- Kirkus Reviews Sweet and satisfying. -- Booklist Super cute, super hilarious and a totally fun read. I'm a big fan of the two people switch places and fool everyone around them plot line (see: The Parent Trap ), and Being Sloane Jacobs pulled it off awesomely. From the Hardcover edition.
